R. E. Steward, Esq.,

Toronto.

Dear Mr. Steward:

I have consulted with our Professors and they will be quite glad to do anything in their power to facilitate the coming of Mr. de Lapradelle to lecture for us in the University. It seems to us that the most suitable time would be on Saturday Afternoon, and that he should take one of our regular Saturday Afternoon Lectures in January.

Will you kindly have this letter forwarded to him ?

With the compliments of the season, I am,

Yours sincerely,

President.

My Dear President Falconer:-

I have your letter of December 24th, and have forwarded your enclosure to Professor De Lapradelle, and am very pleased to say that the officers of the American Society, with whom I have communicated, will be very glad to support the proposed lecture by their attendance, and would also be glad to be represented at a dinner to be tendered to Professor De Lapradelle if such an occasion is decided upon. I have also communicated contents of your letter to Mr. DeLaSabliere the French Consul, who will take a keen interest in the occasion.

With the Compliments of the Season, I remain,

Yours faithfully,
